

Active Rewards

**Rewarding the best line,
With extra activity time!**

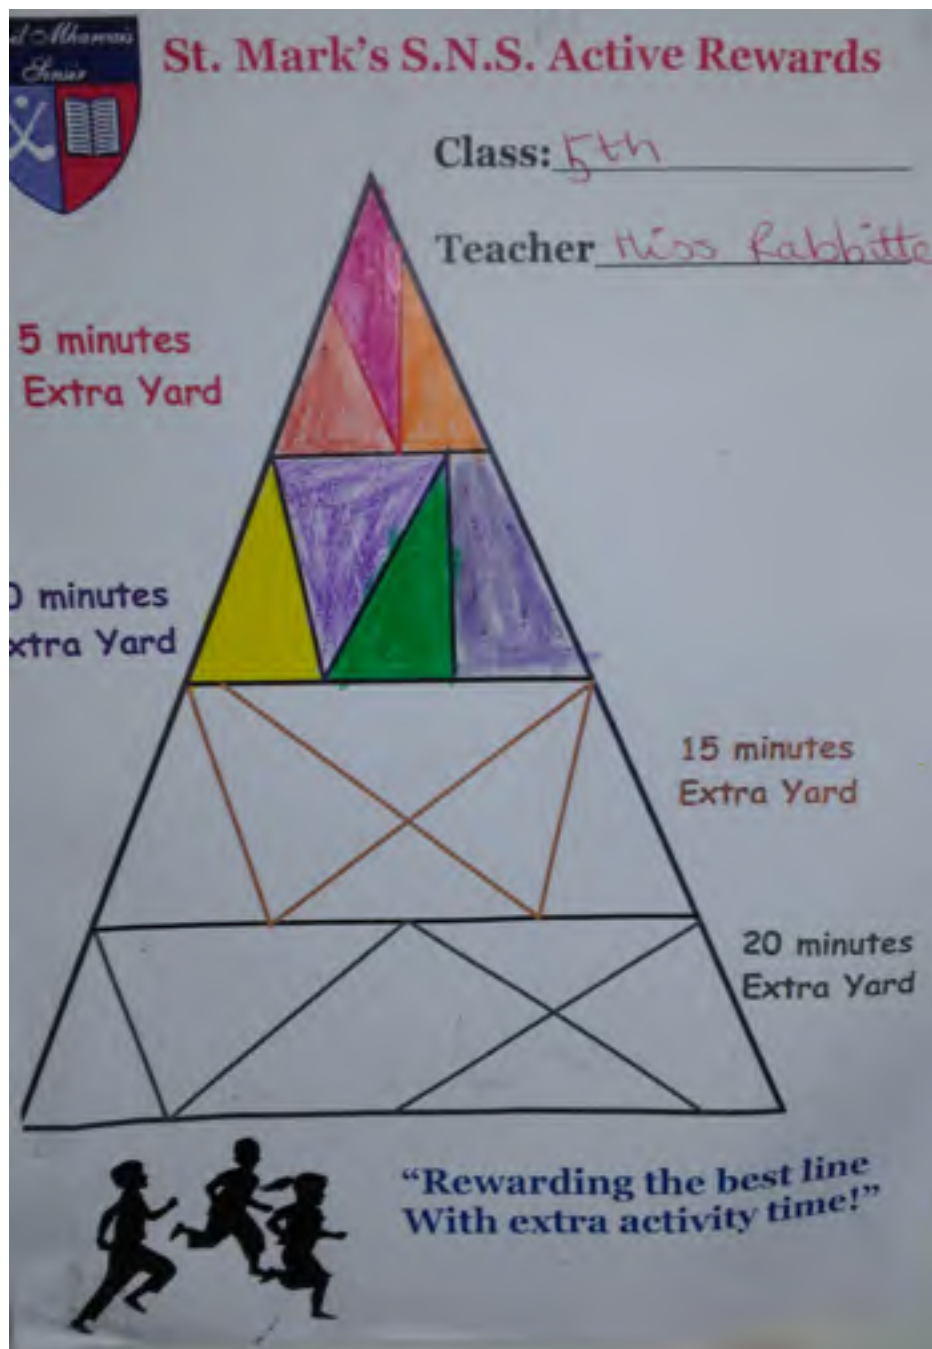

In October, all classes began their Active Rewards Challenge to improve the lines in yard! We all had the chance to earn extra yard time. Each class received a class triangle which they hung up in their classrooms.

Each line up time at yard; the best class were chosen by a teacher on yard. This class were then allowed to colour in part of their class triangle. If you win best line three times, you get an extra five minutes of yard time! Then you move on to try and win ten minutes of extra yard. It has really improved our lines and also given us to the chance to enjoy extra active time with our classmates!

6th class pictured below during extra activity time!

Active Rewards

Here is how Ms Rabbitte's 5th class are doing! They have gotten an extra 15 minutes of activity time altogether and are now working towards getting 15 minutes yard time!
