**Re: Revised Anti Bullying Policy**

Dear Parents,

A revised Anti-Bullying Policy will soon be in use in St. Mark's Senior School. This is a welcome development, but one which requires a good deal of careful preparation and consultation.

The attached revised policy has been drafted by an Anti-Bullying Committee, set up by the Board of Management, with representatives from parents, teachers and community representatives. It is being submitted for information and comment to all parents and teachers. Your comments on the reply section below would be very welcome. All comments must be returned to the school on or before **Wednesday 9th April 2014.**

We look forward to hearing from you.

Yours sincerely,

\_\_\_\_\_  
Richard Walsh  
Principal
