Parents Reading Survey

Friday 7th June 2013

Dear Parents,

We are currently gathering information about '**Reading**' in our school. We have surveyed all of our teachers and are in the process of surveying your children regarding their feelings and attitudes to **Reading**. We now want to analyse and examine your thoughts and opinions about **Reading**'.

Once you the parents complete the Reading Survey, we will use this information acquired to inform our Literacy Plan for 2013/14. Your feedback is so important to us. This survey should take only 5 minutes of your time. You will have until Wednesday 12th June 2013 to respond to this survey

To Complete Survey: please click on the following link [Parent's Reading Survey](#)

Your responses will be an important aspect of our School Self Evaluation in Reading Comprehension. It will enable us to affirm and celebrate what we are doing well, to decide on changes we would like to make based on the evidence we gather. In this way, school self-evaluation can bring our school and their community closer together. It enables the school to share information about the standards of learning that students achieve in all aspects of their learning – academic, cultural, social and personal – in a meaningful way.

Please Note: *All parents who complete the Reading Survey for Parents will be entered into a draw for €100.*

We looking forward to your support and co-operation is this initiative.

Your sincerely,

Richard Walsh
