School Arrangements during Severe Weather

Dear Parents / Guardians,

In the interests of the Health and Safety of the children, staff and parents, arrangements for school openings may change from day to day, owing to the severe weather conditions. If we find it necessary to close the school we will communicate with you by text, so please ensure we have a current mobile phone number.

Entry to and exit from the school during this severe weather, will be only through the **Main Gate** (Maplewood Road). We would ask that all parents say goodbye to their children at the gate and avoid coming any further. **Entry to the Senior School building is through the Main Door at the reception area.**

At home time, while the snow lasts, **all classes** will **EXIT** through the main door at reception. As there are **21 classes** in the school we ask you to be patient because the exit of the children will take a little longer than usual. **The safety of the children is our priority.**

For safety reasons we have decided to cancel the **Parent Teacher Meetings** scheduled to take place tomorrow Tuesday 30th November from 2-5-p.m. **Therefore there will be a full school day tomorrow and children will go home at 2.30 p.m.**

These meetings will be rescheduled for next Tuesday 7th December 2010.

We are all at the mercy of this cold snap but we will do everything in our power to keep you informed of any changes to school routine.

As ever, we rely on your cooperation and good humour and thank you most sincerely for it!

Yours sincerely

Richard Walsh
Principal
